School Uniform

Students in all grades are to wear the school uniform at all times except for special occasions. Students will be checked each morning to see that they are in full uniform.

1. The uniform code enhances the academics in a school and creates the attitude of striving for excellence.
2. It encourages character development, self-discipline, neatness and modesty.
3. The uniform code instills school spirit and a sense of belonging.
4. The uniform code will save parents' time, energy and (we hope) money. The clothing selected was chosen with price and durability in mind.

We trust that you will accept the uniform policy in the spirit in which it was adopted.
